Subject: **Case M.12550 – DANA / EATON (MOBILITY BUSINESS)**
Commission decision pursuant to Article 6(1)(b) of Council Regulation (EC) No 139/2004 ([1]) and Article 57 of the Agreement on the European Economic Area ([2])

Dear Sir or Madam,

(1) On 16 September 2026, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation, by which the undertaking Dana Incorporated ('Dana', United States) will acquire within the meaning of Article 3(1)(b) of the Merger Regulation sole control over the mobility business of Eaton Corporation plc ('Eaton', United States) ('Eaton's Mobility Business'), by way of purchase of shares. ([3])

(2) The business activities of the undertakings concerned are the following:

– Dana is a global supplier of drive systems, electrodynamic technologies and thermal and sealing solutions for vehicle manufacturers and aftermarkets,

– Eaton's Mobility Business comprises Eaton's (i) vehicle segment, including the supply of products such as transmissions, clutches, hybrid power systems, superchargers, engine valves and valve actuation systems, differentials, transmission controls and fuel vapor components, and (ii) eMobility segment, including the supply of products such as high voltage inverters, converters, fuses, onboard chargers, circuit protection units, vehicle controls, power distribution, fuel tank isolation valves and commercial vehicle hybrid systems. The major European assets of Eaton's Mobility Business consist of manufacturing and/or R&D facilities in

Poland, Italy and France. Eaton is a global power management company offering a wide range of products for managing electrical, hydraulic and mechanical power across various sectors.

(3) After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(d) of the Commission Notice on a simplified treatment for certain concentrations under Council Regulation (EC) No 139/2004. ([4])

(4) For the reasons set out in the Notice on a simplified treatment, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.

For the Commission

(Signed)
Anthony WHELAN
