ORDER OF THE COURT OF 18 FEBRUARY 1960[1]

In Case 30/59

Having regard to the application made by the Government of the Federal Republic of Germany on 14 December 1959 to intervene in the proceedings pending before the Court of Justice of the European Communities between

DE GEZAMENLIJKE STEENKOLENMIJNEN IN LIMBURG

and

HIGH AUTHORITY OF THE EUROPEAN COAL AND STEEL COMMUNITY

Having regard to the written observations submitted by the parties in the main action;

The Government of the Federal Republic of Germany has established an interest in the result of the case submitted to the Court, pursuant to the first paragraph of Article 34 of the ECSC Statute.

The application to intervene is, under the second paragraph of Article 34 of the ECSC Statute, admissible if it seeks to support or request rejection of the submissions of one of the parties in the main action, the admissibility or otherwise of intervention being determined solely by its purpose and not by the nature of the submissions relied upon by the intervener.

The submission of the application to intervene does not have the effect of entitling the party making the application to intervene in the procedure in the main action; this result can be produced only through the Order of the Court allowing the intervener to intervene.

The intervener, until his intervention has been allowed, may draw up his application in a language other than that of the case in the main action.

It is only when his intervention is allowed that, without prejudice to the application of paragraph 2 (c) of Article 29 of the Rules of Procedure of 3 March 1959, the intervener is obliged to use the language of the case required in the main action.

Upon hearing the report of the Judge-Rapporteur;
Upon hearing the opinion of the Advocate-General;
Having regard to Article 34 of the ECSC Statute and Articles 69 and 93 of the Rules of Procedure of 3 March 1959.

1 – Language of the Case: Dutch.
