OPINION OF MR ADVOCATE-GENERAL REISCHL DELIVERED ON 19 JUNE 1975 [2]

Mr President,
Members of the Court,

The proceedings with which I am concerned today cover to some extent the same subject as that of the recently decided Case 23/74 (Judgment of 12 March 1975, *Küster* v *European Parliament)* that is, the conduct of an internal competition — No A/43 — for filling five posts of Head of Division with the European Parliament, Accordingly I can be quite short in describing the relevant facts.

The present proceedings were instituted by a female official of Parliament, whose progress was quite rapid. On 1 February 1960 she entered the service of Parliament as a member of the auxiliary staff, in 1962 she became a secretary in grade C 2, in the following year administrative assistant in grade B 5 and in 1964 administrator in grade A 7. In 1965 the applicant participated in a competition and as from 1 July 1965 was employed as principal administrator in the Directorate-General for Committees and Inter-parliamentary Delegations, in the Secretariat of the Committee on Relations with the African States and in the Secretariat of the Committee on External Economic Relations. On 1 February 1970 there was an interruption in the applicant's career with the Parliament. As from that date she was seconded to Mr Mansholt's office and thereafter to the Office of the French Minister of Agriculture. From 1 May 1970 she resumed her duties with the Parliament, in the Secretariat of the Committee for Development and Cooperation. Since 1 January 1973 she has been in grade A 4.

Along with other candidates the applicant participated in competition A/43 to which I have referred. The
